

# Products Liability from RAS

As you are looking at Products Liability business, remember the brokers at **Robert A. Schneider** stand ready to help you place those accounts with exposures “too fierce to mention”. We have markets for your tough Products Liability accounts:

- New business or start-up companies
- Risks with no prior insurance coverage
- Risks previously placed with insolvent carriers
- Risks with prior losses
- Design E&O (available with products liability)
- Discontinued products
- Drugs/herbals, sporting goods, fabricated metals, machinery, medical instruments invasive and non-invasive, equipment and supplies, chemicals/agriculture
